Really knows his stuff. Really good at explaining concepts. One of the best TF's I have encountered in the Econ department.

Gabriel was accessible outside of class -- consistently held office hours twice a week and worked with me to improve my writing and analytical capabilities throughout the semester. He gave good feedback on assignments and pushed me to come up with more original thought.

Gabriel diffused my stress about assignments and did a really amazing job at giving the bigger picture about all of the data and bullets of history/argument we reviewed in lecture. I feel like wrapped all of the info together for me in a perfect way to absorb the material in an approachable way
